- Wed. Nov. 8 Regular Meeting.....7:30 pm Town Hall
- Mon. Nov. 13 Itasca Association of Townships .....7:00 pm Blandin Foundation
- Wed. Nov. 29 Planning and Development Meeting.....7:30 pm Town Hall

12. Adjourn

COLLABORATIVE OPPORTUNITIES TEAM MEETING

Collaboration to improve efficiency, maintain service levels and save money
while preserving our individual community identities

September 5, 2017

The next meeting will be October 11 at the ISD 318 Administration Building from 11-1, lunch included.

Present: Peggy Clayton (Harris), Greg Tuttle (Cohasset), Max Peters (Cohasset), Pat Medure (ISD 318), Peggy Smith (Coleraine), Burl Ives (Itasca County), Brett Skyles (Itasca County) and Mary Jo Wimmer, Coordinator.

Open Market
Harris Township: Wood Tick culvert is being replaced and the Township is doing brushing. Dondelinger Ford will be building in Harris Township.

Coleraine: Fall clean-up and painting is going on. Coleraine held a national night out event at the new safety building in conjunction with Bovey Farmer's Day.

School District 318: The referendum vote will occur on February 13 of 2018. A back to school event was held on Aug. 29 at Old Central School with a good turnout. Contract negotiations are being held and members shared percentage increases being offered in their municipality.

Itasca County: Chippewa mining is still getting their finances in order and Magnetation may re-open in October. It is budget time for the County.

Cohasset: is collaborating with District 318 to double the gym size of the elementary school in Cohasset and add a community center with daycare and elder care. They will begin public forums on this enterprise soon.
The city has closed a deal with Lake Country Power which will build in the industrial park.
3 natural gas projects are in with some residents still waiting for service lines
The planning commission is discussing where RV's can be located and for how long. They may make a change to the river set-back area.

Next Meeting:
Discussions will be held about the impact of VRBO and Air BnB. Burl will gather some data to review.

SEH **MEMORANDUM**

TO: Harris Township Board

FROM: Glen D. Hodgson, PE

DATE: October 16, 2017

RE: Wood Tick Culvert Replacement
SEH No. HARRT 141706 14.00

SEH has provided services to Harris Township for DNR permitting and for design and bid phase work for the project to replace the Wood Tick Culvert. That work concluded with the Board's action on 10/11/2017 to award the project to Casper Construction.

We respectfully request that the Board authorize SEH to continue to provide engineering services for the construction phase. We propose to provide construction phase services on an hourly basis with a not-to-exceed maximum of $9,200.00.

A more formal, 3-page agreement for services was presented (but not discussed) at the October 11, 2017 Board meeting. Services would be provided according to the terms of that agreement.

We look forward to continuing to assist the Township to the conclusion of this important construction project.

P:\FJ\H\HARRT\141706\Task 1 - Woodtick Culvert\1-genl\14-corr\10252017 Construction Phase Services Proposal.docx

Subject: RE: Message from "RNP002673B72BCA"

Thanks.

Also: I don't remember if I gave you a "beaver update." The trapper called me Wednesday evening. He set traps at Wood Tick on Sunday. By Wednesday he had removed all his equipment. He caught a total of 6 beavers. Based on his description of his trapping, he and I agreed that he had most likely removed them all.

We can continue to monitor the culvert to make sure that the beaver problem has, indeed, been solved.

For his convenience, I told the trapper to email me his invoice. When I get it, I will pass it along to you.

Have a great weekend. See you Wednesday evening.

REPLY TO ATTENTION OF
REGULATORY BRANCH

October 16, 2017

Regulatory File No MVP-2017-03072-MMW

Harris Township
c/o: Mr. Jim Kelly
20876 Wendigo Park Road
Grand Rapids, Minnesota 55744

Dear Mr. Kelly:

We have received information about your proposed project to discharge fill material below the plane of the ordinary high water mark of 1,920 square feet (0.04 acre) of Woodtick Creek for the purpose of replacing the existing 60 linear foot 48 inch diameter corrugated metal pipe culvert with a reinforced concrete pipe that is 73-inches wide by 45-inches high and 64 linear feet long. The work includes a 3:1 trench wall taper composing 1,408 square feet of the fill. The project site is in Section 15, Township 54 North, Range 25 West, Itasca County, Minnesota.

The work that you describe appears to fit the general activity information described in Department of the Army RGP-004-MN Permit (DA permit). Based on the information submitted to our agency, it appears that no application or notification to the St. Paul District Corps of Engineers (Corps) is required for your project.

This letter is not a verification of DA permit eligibility, but an indication that your project may meet the requirements for DA permit eligibility. It is your responsibility to ensure that the work proposed will meet all applicable terms and conditions of the DA permit before starting work. A full list of applicable terms and conditions for eligibility may be found by visiting our website at http://www.mvp.usace.army.mil/Missions/Regulatory.aspx. If you prefer we mail you a copy of the applicable terms and conditions, please contact us at 1-800-290-5847, extension 5525.

We did not determine whether the wetlands or other waters on the site are subject to Corps jurisdiction. You may request a jurisdictional determination from the Corps contact indicated below. It is not necessary to request a jurisdictional determination from the Corps if you do not object to the DA permit compliance requirements described above.

Regulatory File No MVP-2017-03072-MMW

If you have any questions or, if after reviewing the DA permit terms and conditions, you believe your proposed project requires specific written authorization from our agency, please contact Mariah Weitzenkamp in our St. Paul office by phone at (651)-290-5355 or Mariah.M.Weitzenkamp@usace.army.mil. In any correspondence or inquiries, please refer to the Regulatory file number shown above.

Sincerely,

Andrew Beaudet

be tire smart play your PART

THIS BOOKLET IS VALUABLE and must be presented with your proof of purchase for all replacement tire warranty service. This replacement tire warranty applies to the original purchaser and is not transferable.

COOPERTIRES® Passenger & Light Truck Tire Limited Warranty

ELIGIBILITY
This warranty applies to the original purchaser of a replacement Cooper passenger or light truck tire and is not transferable. Eligible tires must be purchased new and used on the vehicle which they were originally installed. Proof of purchase is required for all warranty claims. Additionally, they must be the size, load index, and speed rating equivalent or greater than that specified by the vehicle manufacturer. This warranty applies to the 48 contiguous continental United States and District of Columbia and Canada. For warranty exclusions see "WHAT ISN'T COVERED".

STANDARD COVERAGE
If your replacement Cooper branded radial tire becomes unserviceable as a result of an eligible adjustable condition during the first 2/32* (1.6mm) of tread wear, it will be replaced with an equivalent new Cooper tire, FREE OF CHARGE. When the tread is worn more than 2/32* (1.6mm), a replacement charge will be required in order to obtain a replacement tire. You must present proof of purchase and be the original owner when requesting a replacement for your tire.

The replacement charge will be determined by multiplying the dealer's current selling price by the percentage of original tread depth worn from the tire. You must pay for mounting, balancing, and any other additional charges, such as taxes or the acceptance of a higher priced replacement tire.

EXTRA COVERAGE FOR PREMIUM TIRES
The following No-Charge Warranty covers eligible adjustable conditions only, and should not be confused with the prorated Tread Wear Protection covered in the next section. If your replacement Cooper CS5 Ultra Touring, CS5 Grand Touring, Discoverer SRX, or Zeon (all models) radial tire becomes unserviceable as a result of an eligible adjustable condition during its usable tread life, it will be replaced with an equivalent new Cooper tire FREE OF CHARGE. You must present this warranty booklet, proof of purchase, and be the original owner when requesting a replacement for your tire.

45-DAY ROAD TEST
The following 45-Day Road Test Warranty covers eligible adjustable conditions only. If you are not satisfied with your replacement Cooper CS5 Ultra Touring, CS5 Grand Touring, Discoverer SRX, Zeon RS3-A, RS3-S or RS3-G1 radial tire for any reason, other than the conditions that are listed in the "What Isn't Covered" section, you may return them to your original dealer within 45 days of purchase for a FREE OF CHARGE Cooper brand replacement only. You must present this warranty booklet, proof of purchase, and be the original owner when requesting a replacement or refund.

TREAD WEAR PROTECTION
The following Tread Wear Warranty is a prorated warranty (there is no free replacement period) based on mileage received, and is separate from the Standard Coverage & Extra Coverage Warranties just covered. No manufacturer or dealer can guarantee you a certain number of miles from a given tire. Driving habits, driving conditions, tire and vehicle maintenance all play a part in the tread life of a tire and all differ with each purchaser. The following replacement Cooper radial tires only are warranted against tread wear out prior to the applicable indicated mileage:

Tire	Miles/Km Warranted
CS5 Grand Touring (T rated)	80,000 miles (130,000 km)
Discoverer SRX (S/T rated)	75,000 miles (120,000 km)
CS5 Ultra Touring (V/H rated)	70,000 miles (115,000 km)
Discoverer SRX (H rated)	70,000 miles (115,000 km)
Discoverer SRX (V rated)	65,000 miles (105,000 km)
Lifeliner GLS	65,000 miles (105,000 km)
CS3 Touring (T rated)	65,000 miles (105,000 km)
CS3 Touring (V/H rated)	60,000 miles (96,000 km)
Discoverer A/T³ (SUV sizes)	60,000 miles* (96,000 km*)
Evolution H/T	60,000 miles (96,000 km)
Discoverer A/T³ (LT sizes)	55,000 miles* (90,000 km*)
Discoverer A/T®	50,000 miles* (80,000 km*)
CS5 Ultra Touring (W rated)	50,000 miles (80,000 km)
Discoverer H/T	50,000 miles* (80,000 km*)
Discoverer HT3	50,000 miles (80,000 km)
Cobra G/T	50,000 miles (80,000 km)
Trendsetter SE	40,000 miles (64,000 km)
Zeon RS3-G1	50,000 miles/25,000 miles** (80,000/40,000 km**)
Zeon RS3-A	40,000 miles/20,000 miles** (64,000/32,000 km**)
Zeon RS3-S	20,000 miles/10,000 miles** (32,000/16,000 km**)

**Mileage Warranty applies to Passenger and Light Truck lines.*

***Staggered fitments can be defined as different tire sizes on the front and rear axles. Due to the inability to rotate onto different axles, the 20,000/10,000-mile (32,000/16,000 km) warranty applies to the rear tires only.*

The Tread Wear warranty is available provided that you:

1. are the original owner.
2. rotate your tires in accordance with prescribed rotation patterns at least every 8,000 miles (13,000 km) and it must be recorded.
3. present the tire for adjustment.
4. present this warranty booklet when requesting an adjustment and your original purchase receipt, date of purchase, vehicle type, model, odometer reading and rotation record are properly recorded.

If the tire wears to the tread wear indicators in less than the miles warranted, a pro-rated adjustment will be made according to actual mileage delivered. Your replacement cost will be determined by dividing the actual mileage delivered by the miles warranted and multiplying the result times the current selling price of an equivalent Cooper tire. You must pay for mounting and balancing and any other additional charges, such as taxes or the acceptance of a higher priced replacement tire.

TREAD LIFE
When the tread becomes worn to 2/32* (1.6mm) anywhere on the tire (shown by tread wear indicators molded into the tread grooves), the tire is worn out. **WARNING**—for important safety information, you must read the section titled "Tire Service Life" and the Tire Safety Warnings section of this guide. Safety information is also located at **www.us.coopertire.com** (and select: *Tire Safety); and, from your dealer.

HOW TO OBTAIN AN ADJUSTMENT
Tire adjustments must be presented to your local Cooper dealer. You must present this booklet, proof of purchase and be the original owner when requesting a replacement for your tire. See "WHERE TO GO FOR WARRANTY REPLACEMENT".

Hankook AT

* Note: Consequential damage mentioned above may not apply to you based on States limitation.

Owner's General Obligation

In order to be eligible for HANKOOK's limited warranty program, the owner must observe the following:

Present the tire to an authorized Hankook dealer in the Continental United States of America.

Submit or present a copy of the original purchase receipt.

Complete and sign a Hankook Claim Form which is available at any authorized dealer.

End users should complete the warranty card which is available at authorized Hankook dealers for tread wear mileage warranty and mail it to Hankook Tire America Corp. (333 Commerce St. Suite 600 Nashville, TN 37201. Attn: Technical Department) within 30 days from the date of purchase.

In order to take advantage of mileage warranty, you must submit tire rotation record which proves that all tires are rotated once every 7,500 miles.

If the tire owner abuses the tires by failing to do the following, but not limited to observe safety warnings, maintain proper inflation pressure, maintain vehicle alignment and tire rotation, expected tire performance or life may not be achieved and your safety cannot be ensured.

Road Hazard Warranty

If a tire is rendered unserviceable due to a non-repairable road hazard, it must meet following guidelines:

Tire must be listed in eligible products for Road Hazard

Tire must be worn within first 2/32nds

Tire must be within one year from date of purchase qualifying tires will be replaced free of charge with a comparable Hankook produced tire. Adjustment procedure is prescribed in the Owner's General Obligation section.

Taxes and service charges are not included. The eligible products for Road Hazard warranty are as follows:

VENTUS Line: V12 evo2, S1 Noble 2, V2 Concept 2

OPTIMO Line: H727, H426, H725, H436

DYNAPRO Line: HP2, AT-M (P-metric), HT (P-metric)

* Exclusion

- This warranty is not applicable to original equipment (OE) tires.
- Repairable punctures are not covered under this warranty.

Treadwear Mileage Warranty

Hankook provides very competitive treadwear mileage Warranty as follows:

Treadwear Mileage Warranty	Tire Type	Remarks
100,000	Optimo H727	
80,000	OPTIMO H725	
70,000	OPTIMO H724, H436, Dynapro HT	P-Metric
65,000	Dynapro HP2	
60,000	OPTIMO H426	
50,000	Ventus H101, Ventus S1 Noble 2, Ventus ST*, OPTIMO H431, OPTIMO H725A, Dynapro HP, RADIAL RA07	
	Dynapro AS, Dynapro AT, Dynapro AT-M	P-Metric
45,000	Ventus V2 Concept2	
40,000	Dynapro HT, Dynapro AS	LT-Metric

* Ventus S1 Noble 2 : Over 40 series only (Not applicable to 35 series or below).
* Ventus ST : 24 inches and under.

Warranty Terms

This limited warranty applies to the original purchaser of any new tire manufactured by HANKOOK Tire Co., Ltd bearing Department of Transportation prescribed tire identification numbers. Eligible tires shall be used on the vehicle on which they were originally installed according to the vehicle manufacturer's or Hankook's recommendation. This warranty applies if all following qualification requirements are met:

The tire was purchased after January 1, 2017.

The tire is a size, load rating and speed rating equal to or greater than that recommended by the vehicle manufacturer.

The tire has not become unserviceable due to a condition listed under WHAT IS NOT COVERED.

Tire is 6 years from the date of manufacture or 5 years from the date of purchase.

What is Warranted and for How Long

Should any tire covered by this limited warranty become unusable due to a workmanship or material related condition during its usable tread life (more than 2/32" remaining tread), Hankook will give a credit on the following conditions:

1) During the first 2/32nds of the original usable tread and one year from date of purchase: Tire will be replaced with a comparable new Hankook produced tire free of charge. Applicable taxes on the new tire and cost of mounting, balancing and any other charges in connection with the replacement of the tire are required to be paid by the owner.
2) After the first 2/32nds of the original usable tread or after one year from date of purchase, whichever occurs first:
   The amount of the credit will be determined by multiplying the pre-determined adjustment price for the tire (excluding taxes) by the percentage of original tread depth remaining on the tire.
   - Free replacement workmanship warranty is not applicable to snow tires.

What is not Covered

This limited warranty does not apply to tires which are being serviced under the following conditions:

Outside of the Continental United States.

Willful Abuse / Collision / Wreck / Fire.

Continued use while flat or severe under/over inflation.

Road Hazards including without limitation, puncture, cut, impact break, stone drill, bruise, bulge, snag, collision.

Premature or irregular wear due to vehicle mechanical reason.

Conditions resulting from without limitation, improper mounting/demounting, under inflation, improper tire size, improper repair, defect in vehicle, abuse.

Ozone or weather cracking on tires over four (4) years old from the date of manufacture.

Ride disturbance complaints after 2/32 tread wear or 1 year from date of purchase, whichever occurs first.

With less than 2/32" remaining depth.

With the serial number cut or buffed.

Racing & off road use and Misapplication.

Loss of time or use, inconvenience or any incidental or consequential damage.

Used in commercial service, excluding truck & bus tires.

1) If the above eligible tire wears out (wears down to 2/32" remaining depth) before the warranty miles under the normal passenger use, Hankook will make an allowance for unused service toward the purchase of a new tire of the same size and type, prorated on warranted miles.
2) The replacement allowance will be calculated by percentage of the warranted miles not received, multiplied to the predetermined adjustment price of the tire at the time and place of the adjustment.
3) To take advantage of this warranty, the owner shall submit warranty card which records the purchasing & vehicle information within 30 days from the date of purchase. (Warranty card must be mailed to Hankook Tire America Corp.)
4) To make a claim, tire rotation record shall be presented along with the claimed tire. (The cost of mounting, balance and other service charges or taxes shall be paid by the customer)
5) This warranty is not applicable to original equipment tires.

HANKOOK '30 DAY FREE TRIAL" PLAN

Hankook is offering a 30 Day Free Trial to eligible Kinergy GT (H436) Tires. If you are not 100% satisfied for any reason with your purchase, simply bring the tires proof of purchase back to back to the place purchase within 30 days for a new set of Hankook Tires and we will take care of the rest.

Requirements and Limitations

30 Day Free Trial only applies to 4~6 tires per vehicle (Purchases of 1~3 tires are not eligible).
Customer may exchange 1 ~ 4 tires from the set, for an equivalent number of the same tire or a different Hankook Tire.
Mounting and balancing cost are included. (Valve Stems are extra)
Tires must be free of any damage due to misuse, road. hazard, mechanical issue, and/or any racing activity wear.
Replacement tire must be installed on original purchase Vehicle.
Only original purchase is covered by 30 Day Free Trial. Replacement set is not covered by 30 Day Free Trial.
Original purchaser must present proof of purchase.
Replacement must be done at original place of purchase.
If replacing with more expensive tire, difference is paid by Customer (including sales tax). If exchanges is less, you will be given a credit for the difference.
Customer is responsible for all applicable taxes.
Please contact Hankook Customer Service if you have any questions at 1-800-HANKOOK (option 9).

Disclaimer

This warranty, or any warranty stated or referred to herein, is exclusive and in lieu of any other warranty regarding the quality of Hankook tires, whether expressed or implied and remedies for breach thereof shall be limited to those specifically provided herein. Any warranty of merchantability of fitness for any particular purpose, if made, is limited in duration to the effective time period of this limited warranty.

Additional Information or Customer Service

If you have any question on product warranty, please first contact your nearest Hankook Tire Dealer. For dealer information, or if your question has not been handled to your satisfaction, contact the Hankook Tire Technical Department.

COUNTY OF ITASCA)

Petitioners, respectfully petition the Harris Town Bard as follows:

1. The Plat of Wendigo Bay dated August 4, 1956, was approved by the Board of Commissioners of Itasca County, Minnesota, on August 7, 1956, and filed for record in the office of the Itasca County Register of Deeds on August 11, 1956, as Document No. 203881.

2. Wendigo Bay consists of 26 lots and 1 outlot.

3. Petitioners have fee ownership of the property located at the following addresses:

Johnathan P. Adams 26564 Sunny Beach Rd. Grand Rapids, MN 55744	Parcel ID # 19-610-0275
John Scott Casper 29613 Sunny Beach Rd. Grand Rapids, MN 55744	Parcel ID # 19-610-0260
Stephen Arbour and Nichole Arbour 29622 Sunny Beach Rd. Grand Rapids, MN 55744	Parcel ID # 19-023-2105
Douglas D. Pierce and Kati A. Pierce 30091 Sunny Beach Rd. Grand Rapids, MN 55744	Parcel ID # 19-022-1105,
Paul and Sunny Hawkinson 29121 Sunny Beach Rd. Grand Rapids, MN 55744	Parcel ID # 19-620-0211

4. All the Petitioners are voters in Harris Township and live within 3 miles of the road to be vacated.

5. Petitioners seek to vacate the entire 66 foot wide portion of the Plat of Wendigo Bay which starts at Sunny Beach Road and ends at Pokegama Lake between lot 26 and Outlot "A", a map of which is included for illustrative purposes.

6. No street, avenue, trail, landing or road has been built or constructed on said portion of the Plat of Wendigo Bay.

7. The road described herein terminates at public waters, being Pokegama Lake.

8. The road described herein has never been used as an access to Pokegama Lake, and the topography and size makes it impracticable as an access, and the public will benefit with the property being placed on the tax rolls.

9. The road described herein is not presently used as an access, never has been and

has no potential use as an access. Given the grade and elevation it is to steep to drive on, park or turn around. Many trees exist on the 66 foot parcel. There are no shoulders or areas to park on Sunny Beach Road, which is narrow. The lake shore has no sand or level beach, and is all bog, cattails and muck, rendering it impossible to launch or dock a boat, canoe, kayak or raft.

10. Vacating the road described herein would have a beneficial impact on the conservation of natural resources, by preserving the natural state of the shoreline and not enticing the public to try and alter the shoreline to launch a watercraft.

11. The notice of this petition shall be served on the Commissioner of Natural Resources at least 60 days before the Town Board meeting, which notice does not create a right of intervention, but for evaluation.

12. Petitioners request that the Harris Town Board of Commissioners set a time and place of examination of the road as platted, and a hearing for interested parties, which notice of such meeting shall be served on affected landowners and posted in accordance with the statute.

WHEREFORE, Petitioners pray for a judgment and decree of this court:

1. Vacating the land dedicated for public use as a road within the Plat of Wendigo Bay as indicated on the map attached hereto as Exhibit "A".

2. Determining that John Adams is the owner of the East Half of the vacated portion of the road, and that John S. Casper is the owner of the West Half of the vacated portion of the road, free from the Plat of Wendigo Bay or any interest imposed or created by dedication to the public of the streets and avenues in the Plat Wendigo Bay.

3. That there are no damages sustained to the interested owners.

4. For such other and further relief as the court deems just and proper.

WENDIGO BAY

ITASCA COUNTY, MINN.

GOV'T. LOTS 4-5-6, SECTION 23
T.54N.- R.25 W. OF THE 4TH. P.M.

SCALE: 1" = 200'

AUGUST 1956

SAM BENZING, SURVEYOR

DEDICATION

KNOW ALL MEN BY THESE PRESENTS:

That Samuel G. Benzing and Irene Benzing, his wife, and Ben Grussendorf and Fern Grussendorf, his wife, are the sole owners and proprietors of that part of Government Lots 4, 5, and 6, Section 23, Township 54 North of Range 25 West of the 4th P.M., more particularly described as follows: Commencing at the Northwest corner of said Government Lot 4. Thence South along the West boundary of said Lot 4, a distance of 231.36 feet, to the point of beginning. Thence South 72°40' East, a distance of 1452.93 feet. Thence S 69°02' E, a distance of 173[illegible].72 feet. Thence S 59°54' E, a distance of 281.86 feet. Thence S 51°46' E, a distance of 415.02 feet. Thence S 77°41' E, a distance of 363.43 feet to the West boundary of the Township Road now laid out and established along the East boundary of said Government Lot 6. Thence South along the West boundary of said Township Road a distance of 323.65 feet to the shore of Pokegama Lake. Thence in a Northwesterly direction along the shore of Pokegama Lake to the West boundary of said Lot 4. Thence North along the West boundary of said Lot 4 to the point of beginning. Containing 13.0 acres in said Lot 4, 12.0 acres in said Lot 5, and 13.5 acres in said Lot 6.

And being desirous of platting the same into Lots, Outlots, Road, and Public Landing, have caused the same to be surveyed and the annexed plat thereof to be made in accordance with the Statutes of this state in such cases made and provided.

NOW THEREFORE, We do hereby ratify and confirm said survey and plat thereof as "WENDIGO BAY", and sign and execute said plat and hereby dedicate to the public use forever, the Streets and public landing therein delineated, expressly reserving and excepting therefrom, however, all iron ores, metals, minerals, fossils, mineral paints, and mineral oils on, within or under said land and each and every part thereof, together with the right, license and authority, to enter upon said land to explore for, mine and remove the same.

IN WITNESS WHEREOF, we have hereunto set our hands and seals, this 4th day of August A.D. 1956.

IN THE PRESENCE OF

Joseph W. Johnson

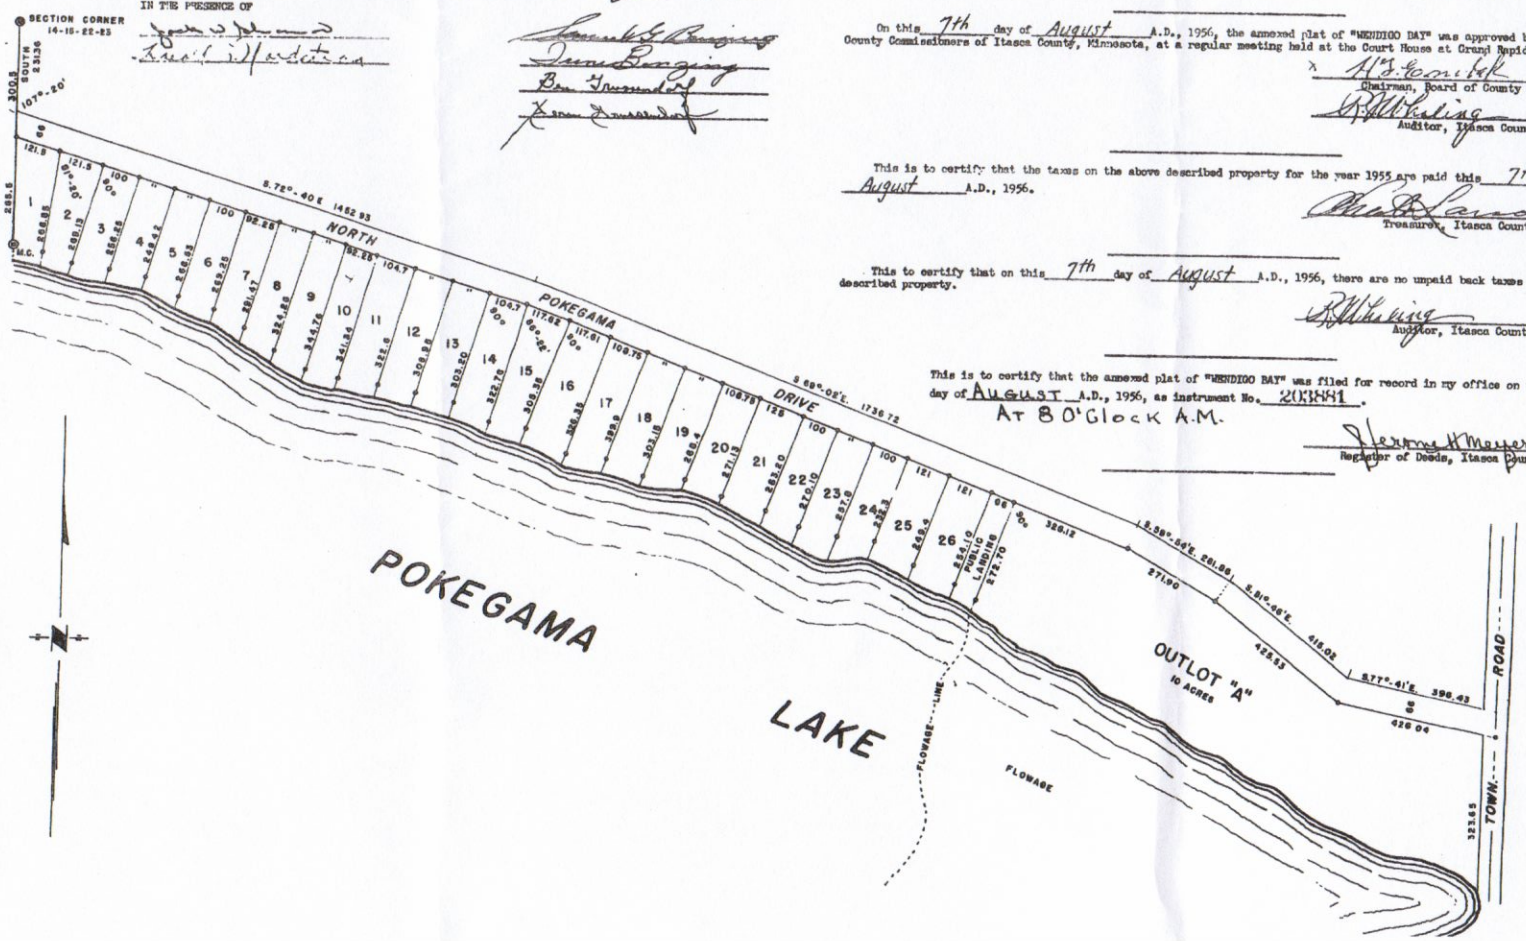
Harold L. Nordstrom

Samuel G. Benzing

Irene Benzing

Ben Grussendorf

Fern Grussendorf



STATE OF MINNESOTA }
COUNTY OF ITASCA } ss.

On this 4th day of August A.D., 1956, personally appeared before me, Samuel G. Benzing and Irene Benzing, his wife, and Ben Grussendorf and Fern Grussendorf, his wife, to me well known to be the persons who executed the foregoing instrument and acknowledged that they executed the same as their free act and deed.

Harold L. Nordstrom
Notary Public, Itasca County, Minnesota
My commission expires HAROLD L. NORDSTROM
Notary Public, Itasca County, Minn.
My Commission Expires Sept. 1, 1960

STATE OF MINNESOTA }
COUNTY OF ITASCA } ss.

I, Sam Benzing, do hereby certify that I am a Registered Land Surveyor of the State of Minnesota; that I have at the request of the proprietors thereof made a careful survey of the property described in the foregoing certificate of the proprietors and have platted the same into Lots, Outlots, Road and Public Landing; that the plat is a correct representation of the survey; that all distances are correctly shown; that monuments for the guidance of future surveys have been correctly placed in the ground as shown; that the outside boundary lines are correctly designated on the plat; that there are no wet or swampy lands except as designated; that no public highways or thoroughfares had been laid out, opened, traveled or existed before such platting was done except as are delineated upon said plat.

Sam Benzing
Registered Land Surveyor No. 2214

Subscribed and sworn to before me this 4th day of August A.D., 1956.

Harold L. Nordstrom
HAROLD L. NORDSTROM
Notary Public, Itasca County, Minn.
My Commission Expires Sept. 1, 1960

This is to certify that on the 4th day of August A.D., 1956, I made a careful examination of the annexed Plat of "WENDIGO BAY" and found the same to be correct and the said plat is hereby approved.

Sam Benzing
Surveyor of Itasca County, Minnesota.

On this 7th day of August A.D., 1956, the annexed plat of "WENDIGO BAY" was approved by the Board of County Commissioners of Itasca County, Minnesota, at a regular meeting held at the Court House at Grand Rapids, Minnesota.

H. J. Gombak
Chairman, Board of County Commissioners.

R. H. Whaling
Auditor, Itasca County, Minnesota.

This is to certify that the taxes on the above described property for the year 1955 are paid this 7th day of August A.D., 1956.

Arnold Larson
Treasurer, Itasca County, Minnesota.

This to certify that on this 7th day of August A.D., 1956, there are no unpaid back taxes on the above described property.

R. H. Whaling
Auditor, Itasca County, Minnesota.

This is to certify that the annexed plat of "WENDIGO BAY" was filed for record in my office on this 11TH. day of AUGUST A.D., 1956, as instrument No. 203881.
AT 8 O'Clock A.M.
