6:00 pm**

Present: Madam Chair Peggy Clayton, Supervisors Mike Schack, Ryan Davies, Dan Gilbert, and Jim Kelley

Absent: Clerk Riendeau

Pledge to the Flag was conducted.

The purpose of the work session was to continue discussions regarding land sales, boat landings, ARPA funding, City of Grand Rapids, and public survey.

Casper Landing

Supervisor Kelley Reported that Nancy Miller received her letter from Attorney Shaw, regarding the removal of the fence at her earliest convenience and/or possibly by the end of the year. Nancy Miller will send a letter to either the Clerk or Chair, addressing her concerns of the fence removal timeline.

Mishawaka Landing:

The board is still awaiting the results of the survey of that specific Landing.

LaPlant Landing:

Considerable discussion was held on land across from the LaPlant Landing. After a few phone discussions with Michael Clayton, it was determined that they are not interested in selling any property to the township for the boat landing/parking. Supervisor Davies will make contact with another neighbor to see if they would be interesting in selling acreage to the township. If they are, Supervisor Davies will contact Casper Construction and have them take a look at the piece of property to see how much work would be involved in making a parking lot.

The board is awaiting survey results.

Woodtick Landing:

Discussion held regarding the DNR, and if they will be able to do any clean-up of the shoreline at this landing before winter sets in. Madam Chair will contact Kacie to get further information on clean-up. The board is awaiting results of the survey.

Discussion also held on clearing the portion of land, which would be a viable place for additional parking. Supervisor Kelley will reach out to SEH regarding work on this portion of land, while they work on Sunny beach in the spring. (Monies would come from the ARP funds).

City of Grand Rapids

Madam Chair provided information regarding the opinion received from our Township Attorney, along with the opinion from the MAT attorney regarding options, etc. of Isleview Road. Both provided very informative information to allow the board to make a decision on this road.

Attorney Andy Shaw will send a letter to the City of Grand Rapids regarding Isleview Road detachment, following board approval. Madam Chair will contact the Auditor Department to find out the estimated market value of the 27 properties which would be included in the detachment. When she obtains that dollar figure, she will then contact Travis Cole with the City of Grand Rapids Fire Dept. to find if there would be any increase in fire contract dollar amount, with the additional properties EMV. Short discussion followed.

ARPA Funds

Madam Chair will be pulling together a listing of purchases, and costs which will be paid with ARPA funds. A resolution will also be completed once the list has been finalized.

RE: Cartway Petition
Petitioner Don Mornes

Dear Andy:

Our office represents Don Mornes. As you know, Don Mornes petitioned the Town Board of Harris Township for a cartway and a hearing has been scheduled for December 2, 2021. As we discussed, my client may be close to a resolution of this matter and we hereby request that the hearing be taken off calendar and that the Township does nothing until they hear further from our office.

Truly yours,

BRIAN C. BENGTON

Dear Mr Mornes:

This follows our conversation this morning. You will find attached the three documents adopted by the Harris Town board at last night's meeting. The first is the order setting a hearing which is scheduled for Thursday, December 2nd at 1:00p.m.. The meeting will commence at the Harris town hall at that time.

Minnesota law places requirements on the petitioner for cartway. you must make personal service of the cartway petition and notice of hearing on the affected land owners. A copy of the notice of hearing is attached, and I assume you are in possession of a copy of the petition for cartway. I have obtained an owners and encumbrance title report for the affected property and determined the only party in interest is David Hyland. You must also post the notice in accord with statute.

It is also necessary that you post a \$10,000 bond with the Harris Township Clerk, the same which will be utilized for all expenses incurred by the Township in processing this petition. Both the personal service of the notice on the affected land owner, the posting of the notice and the provision of the \$10,000 bond to the Township must all be completed prior to November 22, 2021.

As I stated in our phone conversation I strongly urge you to engage the services of an attorney in Itasca County versed in cartway matters to assist you. This is a legal proceeding with some degree of complexity and you would greatly benefit by the oversight provided by an attorney familiar with the cartway statute and process.

I refer you to the following:

Joe Stauffer – [218-326-6631](tel:218-326-6631)

Jenna Jahn – [218-326-6631](tel:218-326-6631)

Kent Nyberg – [218-326-9626](tel:218-326-9626)

Robert Dolan – [218-999-9529](tel:218-999-9529).

Re: Boundary with Harris Town landing

Dear Ms. Miller and Mr. Persons:

It has come to the attention of the Harris town board that improvements you have maintained on the southern border of your property are actually located on land belonging to Harris Township. This is shown on the survey you obtained from Northern Lights Surveying in 2021, a copy of which you provided to the Township.

I request your improvements be removed from the Harris Town property and relocated north of the boundary line at your earliest opportunity, and in any event prior to year end.

Please advise any questions or concerns you may have.

Sincerely,
