

Resolution 2024-002

ADMINISTRATIVE POLICY for Board Meetings and Access to Public Information

WHEREAS, the Harris Town board is the governing body of Harris Township (the Town) charged by law with certain power and duties to conduct the affairs of the Town; and

WHEREAS, the board determined the adoption of an administrative policy regarding board meetings and access to public information will enhance the effectiveness of meetings and establish uniform procedures for the Board in how it conducts its business, and for those wishing to attend the proceedings; and

WHEREAS, this policy takes into consideration the particular circumstances of the Towns, which include but are not limit to, the following: The Town is *rural in nature, has a limited budged which is set by the town electors at the Annual Town Meeting, does not employ any administrative personnel, does not maintain regular office hours, has limited office facilities and accessibility, and schedules only one Regular town meeting and one Planning and Development meeting per month.*

NOW THEREFORE, BE IT RESOLVED that the Town Board of Harris, Itasca County, Minnesota, hereby adopts the following updated administrative policy, regarding board meetings and access to public information:

1. Scope:

The procedures established in this policy shall apply to all regularly scheduled meetings of the Town Board, and to the extent practical, work sessions, special meetings and board hearings. This policy shall not apply to annual town meeting, some special meetings, closed meetings, onsite inspections, or any committee or subcommittee meetings.

1.1 Data Practices Act.

While Harris Township did adopt Urban Powers in 2004, it is not an urban township located in the seven county metropolitan area, and therefore is exempt from the Minnesota Government Data Practices Act (a decision made by the legislature in recognition of the fact that most townships do not have the type of staffing required by the Act).

As such, the Board is not bound by the requirements of the Minnesota Data Practices Act and nothing herein is intended to adopt, or shall be interpreted as adopting, the restrictions or requirements of the data practices act. Without limiting the forgoing, to the extent the Board is aware it has information that would be classified by the data practices act as something other than public data, it will take reasonable steps to limit its release.

2. Meeting times and location:

The Board schedules and conducts 2 meetings a month: The Regular meeting on the second Wednesday of each month, beginning at 7:30 p.m., and the Planning and Development (aka P&D) meeting on the fourth Wednesday of each month, beginning at 7:30 p.m., at Harris Town Hall.

a. Exceptions:

- The November P&D meeting will be held the fourth Tuesday of the month, when the fourth Wednesday occurs during the week of Thanksgiving.
- The December P&D meeting will only be held if the board deems necessary, on the third Wednesday of the month due to the Christmas holiday.

The Board develops and adopts a yearly calendar of the dates of these meetings, publishes them in the Herald Review once, and posts on the town hall bulletin board for the entire year. If for some reason the board finds it necessary to change any published meeting date, they will publish notice of the change in the official newspaper, and post the change at least three days prior to the originally scheduled meeting date.

3. Holidays

Township meetings or business will NOT be conducted on any official federal holiday, as provided in Minn. Stat.44 subd.5.j

4. Calling a special board meeting, emergency meeting, or work session:

The Board will generally call for special meetings or work sessions during a Regular or P&D meeting. However, the board Chairperson may, upon his/her own initiative, call a special meeting of the Board to address an issue or issues that requires consideration before the next board meeting. The Chairperson shall contact the Town Clerk for the need of a special board meeting or work session, and the Clerk will notify the other Board members of the date, time and place of the meeting. The Chairperson will try to arrange the meeting date and time so that all board members can attend. The Town Clerk shall also post notice of the meeting at least 5 days in advance, as required by the open meeting law.

- A) An Emergency meeting may be called at any time if there is an immediate situation that poses any harm to the Public Safety, Roads and Waterway of the Township. In the instance of calling an Emergency Meeting we refer to Statue 13D.04 subdivision 3; the above order for calling the meeting still stands. Public Notice will be given on Facebook, a phone call will be made to the Herald Review of Grand Rapids, Minnesota and other attempts to post the meeting shall be done if time allows. The minutes of the Emergency meeting may be recorded by a Supervisor present and will be included in the next Regularly Scheduled meeting agenda packet.

5. Presiding officer:

The Board chairperson shall be the presiding officer of Board meetings. In the absence of the Chairperson, the Vice-Chairperson shall preside. The presiding officer shall have the power to preserve Order and decorum at the meeting, enforce rules of procedure, and determine without debate, subject to the final decision of the Board on appeal, all questions of procedure and Order.

a. Appeal of presiding officer's ruling:

Any member of the Board may appeal the ruling of the presiding officer. If the appeal is seconded, and after discussion and explanations are given, the majority vote of the Board shall determine the question.

b. Rights of presiding officer:

The presiding officer is a full member of the Board and retains all of the rights to speak, make and second motions, and to vote on matters of town business to the same extent as any other town supervisor.

Appendix C

Board Supervisor Duties:

1. Minnesota Association of Township Duties (as defined in the Manual on Town Government)
 - By law, supervisors (have charge of all town affairs not committed to by other officers by law.” Minn. Statute 366.01, subd 1. Town Supervisors are charged with the duty to make decisions on behalf of the town and have the responsibility to see that the town fulfills its duties to the state and to town residents. Common duties include awarding contracts, authorizing township expenditures, adopting ordinances and resolutions. Rather than being a task-oriented position, the office of town supervisor involves setting policy by making choices from a wide range of options. The challenges for supervisors include identifying what the available options are based on the town’s legal authority, following the correct process, taking the required steps to implement the selected option, and implementing the decision. Along the way, there are various legal policy questions, financial limitations, and political pressures that can make this a very difficult process.
 - Supervisors are responsible for choosing a chair. The statutes do not set out a selection process for the chair’s position and a town has a good deal of flexibility to use the process that makes sense to its board. The person appointed as the town board chair does perform certain duties in addition to the usual responsibilities of a supervisor. Those include serving as the presiding officer for town board meetings and signing checks and other documents on behalf of the board. When designating a chair, boards should also appoint a vice-chair to serve in the chair’s absence.
 - It is important to note the chair retains all the powers of a supervisor to make, second, and vote on motions. Furthermore, a board may not adopt rules to limit the powers the law grants to this or any other election position (i.e. it cannot adopt a rule prohibit the chair from making a motion.) However, it is equally important to note that while the statutes assign the chair certain tasks to perform on behalf of the board, the chair is not automatically granted superior or independent authority over the other supervisors.
 - As a practical matter, the chair does take on many tasks that need to be performed, but the assignment of additional tasks must not be mistaken for the power to control a matter. For instance, the chair working with the clerk to pull together the agenda for a meeting does not give the chair the authority to refuse to place items on the agenda other supervisors would like to discuss. Except for the statutorily designated tasks, and to the extent the board expressly assigns additional duties or powers, the chair is a supervisor with only the powers of a supervisor.

2. **Duties covered under the supervisor’s stipend as per compensation policy:**
 - Inspection of parks

Appendix F

Sexton Duties:

1. First point of contact for all questions regarding the Harris Township Cemetery and follow up promptly with responses:

This position receives calls from people regarding the cemetery, which could be burials, purchasing sites, or from headstone companies.

If somebody calls you regarding a burial, that could come from a family member or the funeral home. If somebody calls in need of a burial you need to ask them when they want the burial to take place first, and then find out if they already have a site. If they do not have a site, then you would meet with the people at the cemetery so they could pick out a lot. When you do meet somebody at the cemetery, you need to take your black book, the map, and the receipt book. Sometimes people will pay with cash- either way, always use the receipt book.

If the funeral home is arranging the burial and a site is owned, be sure to confirm that the funeral home is collecting the fees and sending to the Township. The funeral home will then mail the disposition papers along with a check for the burial to the Sexton.

If the family is coordinating the burial, you will need to collect payment and either disposition papers or a copy of the death certificate for the burial before you can confirm and authorize maintenance to do the work preparing the site.

If someone just wants to purchase a site you also need to meet them at the cemetery and bring the black book, map, and receipt book. Let them choose a site to their liking and then verify the location is available using the map and correlating with the black book. On the receipt always write the site description, and whomever they wish the owner or the site to be on the Deed, also retain a full address and phone number. The top copy of the receipt goes to the purchaser, the 2nd copy goes to the Treasurer with the payment and the final copy stays in the book for the Sexton records.

You will get calls from a headstone company, which could be Duluth Monument or Northland Monument, Hibbing Monument, (the most common used by our residents). When people purchase a headstone, those companies need to come in and set up the stone. Those calls also need to be relayed to maintenance as he marks the site for them to lay the stone. He does not set the stones himself, only marks them.

If the family is working with veteran services, Derrick will lay the veterans stones. Those calls may be sent directly to the service center maintenance. If a family wants maintenance to place the foot stone, the township will charge an hourly wage for the time it takes to dig and lay that foot stone.

You also might get calls from people wanting to sell their sites back to the township. If that occurs their request needs to be in writing and sent to our service center address. They also need to provide a copy of the deed with that request. If they don't have the deed etc. it is their responsibility to get a new one from the recorders office. The deed tells us how much this site cost them at the time of purchase. No deed = no sale. This is subject to Board approval and must be verified that no one has been placed in the site. That letter of buy back request, the owners Deed and the newly drafted buy back Deed all go to the board for approval at the next regular meeting. The Sexton has to re-file a deed giving ownership

back to the township, and this also has to be filed with the recorder's office. The Sexton must also notify Maintenance to remove them from owning a site in his books and remove their card from the Rolodex and white out their information in the black book. When the original Deed is returned from the recorder's office that will be filed in the bottom black drawer, corresponding with the correct site. * You must also update and remove them from the Documents/Cemetery/Sexton/Section/Block Listing and update the website to such. Further direction below.

If you receive a call from someone wanting to know if so-and-so is buried at the cemetery, you need to obtain the last name of that individual they're looking for and look at the black Rolodex. If a family name is in the Rolodex, you would look at the card and then go to the black book to find a location to see if someone was buried in that location. You can also look in the bottom drawer of the two drawer black file cabinet by looking for the last name to find any information or disposition paperwork we would have obtained at burial. If no information, you can let the family know, and at that point they are on their own. Any time you have a new burial, a new card needs to be made out and placed in the Rolodex. Any time that you work with the burial, etc. that information needs to be placed on the Rolodex card (i.e. lot purchased, deed received, burial, etc). It is important to have great cross-reference information on the cards.

Any calls coming in on leveling of headstones, those need to go directly to maintenance.

Remember to always text Maintenance, and the maintenance supervisor, so they are also in the "loop" with regard to burials, digging, etc.

2. Prepare and maintain policies, procedures and brochures, as per Board direction, and relay that information to others who assist in the maintenance of the cemetery or to the general public:

Sexton updates as needed, with regard to the policy, procedures and brochures. Sexton will get that direction from the board as changes to policies are always made at board meetings.

There's also a frequently asked questions section on the bottom of the policy called "other helpful information".

The Chair updates the policy with the sexton. The chair updates the website for the cemetery, by you uploading to the laptop to update it and then once it is updated the sexton needs to print it out, make copies and then bring 25 of the brochures to Libby, 25 to Rowe, and give one to our maintenance staff person, and then fill the slots at the cemetery. Whatever you sent to Rowe and Libby, it should be sent to them in a PDF format. When winter rates go into effect, all funeral homes should be sent a copy of the resolution.

3. Coordinate all burial arrangements; Funeral Directors, Maintenance Team, Board, as needed.

You would need to coordinate burial arrangements, if someone calls and needs to be buried, or if they own or do not own their own site. Sometimes it's slow, depending on the time of year and when they want to do their burial or purchase this site.

If they own their own site then you are talking back-and-forth with Maintenance regarding the site location and the time of service and then confirming all that information with Maintenance.

Always direct any questions back to the policy. Send a copy of the policy and rate to those who have questions also when you respond to them so they also have the information moving forward.

The Sexton must be familiar with all policies and procedures for marking graves!

The funeral home or family usually gets in touch with the sexton. The Sexton then calls Maintenance, if they own the site and confirm the date etc. Sexton confirms with the funeral home. Maintenance puts it on the schedule. The payment and disposition paperwork needs and comes from the family or funeral home. Sometimes a funeral home collects the payment for the burial, or family meets with Sexton and pays the Sexton.

4. Deed preparation, Sale, Recording, Filings and follow up with notifications of such with Board, Maintenance team, and Purchaser.

If the family doesn't have a site, they will need to purchase a site. you meet at the cemetery, take the black book, map, and receipt book. The family usually has some idea of where they want to be (section 3 is open, section 1 and 2 are touch and go, as one could hold a cremation in those sections).

You need to take the map and verify space availability. Some families might want 1 site or more than a site. When that occurs you need the receipt book, and take the payment at the cemetery. People can purchase up to four on one deed, but if it's more than 4, then another deed and recording fee of \$46 has to be completed. If they are family owned sites, you do not need to draft a Deed for each family member, advise them to set an owner and have copies of the Deed with each family member that plans to be placed in our cemetery.

Once you have completed that at the cemetery, then you need to record, make Rolodex card, and follow up with the format and receipt. You need to put the lot, block section, site, home address, and phone number on receipt copy. These dates get recorded in the black book, you make up a card, and place in the Rolodex, and a make up a card for maintenance, and put that in his folder in the Town Hall.

If the card is already in the Rolodex you just add to the record on that card, and then let maintenance know. The 2nd copy in the receipt book goes to the Treasurer with the money collected. Maintenance has full set of books just like the Sexton does. You then prepare the deed, which goes on the next board agenda for chair signature. Once the deed is signed by the board the original is mailed or dropped off at the recorder office. They record it and stamp and mail it back to the service center with a bill. The recorder department then bills \$46 for the recording fee back to the township. The recorder will send an invoice with the original deed back to the township. You need to make a copy of the deed, put it in the bottom drawer of the black file cabinet. The original gets mailed to the owner. Provide a copy of the invoice to the Treasurer and note who it was for.

Disposition papers - when someone dies or someone is getting buried, we will either get a disposition paper or certificate of death from the family or funeral home, along with the check. Make a copy of both give a copy to Treasurer with the check. If you get a certificate of burial you treat it the same way. If owner provides an original death certificate, make a copy of the death certificate, and get the original back to the family.

Record Burial – Mark the burial in the black book, one section for purchase and one section of who is buried. Place the disposition papers or death certificate in the box in the bottom black drawer.

How to mark an online system –Any changes or updates to burials or purchases need to be updated to the website, and are completed by the Chair. Once you have completed deeds etc. The chair needs to go into the online system and mark the site off in the online system. It is in the Documents/Cemetery. All are broken up into sections 1, 2, and 3. From there each block is also separated. Update it in the word format and save back to its original location. Log in the website admin, go to the cemetery tabs and remove the block you are updating then upload the correct block to the correct file location. This does not need to be in PDF format, I have them all in Word so that they are easy to update and you do not need to reformat each time you have to update a block. The website is updated every January and July.

5. Relay payments received and notify of any County Filing fees charged to the Township account to the Clerk. Keep receipt book for all Deeds sold.

Any and all transactions need to be documented and funds must be provided to the Clerk with documentation of what the monies are for. Copies of the check with the disposition papers or Deed should be made for easy reference to what the money is for. Remember to always give the Clerk the receipt copy for her records also.

6. Update and maintain Harris Township Cemetery Web links with current and relevant news.

The chair updates sales in the township cemetery web links with current and relevant news whenever someone is buried. You update in the cemetery folder, and upload to the website. All cemetery records are kept at the Service Center a file cabinets.. These are valuable and personal documents and should not be stored in your home. They should be removed for sales and meetings at the cemetery and then the Sexton should promptly return these to the service center file cabinets.

*The cemetery website sections (1, 2 and 3) must be updated every six months (January and July).

All forms used for the cemetery are on the computer, Documents/Cemetery.

There are separate buy back deeds and deeds. Use the correct one and pull the last one prepared and type over it. All forms are formatted in Word for easy edit.

7. Update the books online monthly for public viewing, and work with maintenance on updating.

You would update the policies, burials, and purchases, and keep all up to date.

8. Maintain Cemetery Books, Records, and Sexton computer books, and work with maintenance on updating.

Make sure to always update books and records whenever it occurs. Do not wait and do it once every six months etc. as it just causes a lot of issues of keeping up with what's going on. All of the updating is on the computer and again as you get them. Always make sure you e-mail maintenance with sale and burial updates as he is a source in the checks and balances for the cemetery.

9. Sexton needs to keep track of detailed work completed and time it takes to complete a burial process, every two weeks. That information is placed on the pay request.

10. As cemetery sites are sold, processing the cemetery deed, and getting it on the board agenda for approval, must be done in a timely manner/earliest possible convenience.

11. When winter burial rates are effective, they do stay in place until the board lifts the winter burial rates, via resolution at a board meeting.
12. When the cemetery policy is updated, or when winter burial rates are effective and lifted, that information must be relayed to funeral homes in Itasca County, it keeps funeral homes updated for their communication with files, etc.
13. No wiggle room with regard to policies, as it would open the door for everyone.
14. Calls, texts, emails from potential site purchasers or funeral home, must be returned as soon as possible.

Qualifications:

- 1) must be a high school graduate or equivalent.
- 2) Must have excellent customer service skills.
- 3) Must be able to and available to sell cemetery plots and meet with people and/or funeral homes wanting to purchase a plot at the cemetery.
- 4) Must have excellent computer skills and abilities with Microsoft Word and Excel.
- 5) Must have some bookkeeping experience or education.
