Public Access Tour
5:00 pm

Present: Madam Chair Clayton, Vice Chair Schack, Supervisors Davies, Gilbert, and Kelley

The purpose of the tour was to check out the public accesses that exist in the Township.

The supervisors located several public accesses a few years back and wanted to check them out (again) to see if changes were made to any of the accesses. Several were located on LaPlant Road, and Sunny Beach Road. There were 2 of the accesses grown over and no longer accessible to waterway(s). There was one public access which had a neighbor's boat anchored in the waterway (of the access).

The supervisors will continue to monitor the public accesses. The tour completed at 6:30 pm.
