

Variance Site Viewing
Michael Erickson Property
November 13, 2019

Attended by Supervisors Dennis Kortekaas, and Mike Schack, and Chair Peggy Clayton

Meeting called to order after the variance site viewing, at 9:20 am. (Supervisors has viewed the site, and asked questions with regard to the layout, etc.)

The Board originally denied the Township "Findings of Fact" variance request at their October 23rd Board Meeting. Once supervisors viewed the property, they were better able to understand (what they originally felt were inconsistencies) the request.

Supervisors went through the original Findings of Fact board recommendations.

Questions

1. Remained as "yes":
2. Changed from "no" to "yes"; If denied he would not have reasonable use of property
3. Remained as "yes";
4. Remained as "yes";
5. Changed from "No" to "yes"; once we viewed the property we got a better picture of the layout
6. Changed from "no" to "yes"; once we viewed the property we got a better picture of the layout

A motion was made by Dennis Kortekaas, and seconded by Mike Schack to approve the variance request, based on viewing the property and looking at the location, and site. Motion carried.

Original Findings of Fact were amended and presented to the planning Commission at their 11:00 am meeting.

Meeting adjourned at 9:30 am.
