Re: 2016 Certification of Town Road Mileage to MNDOT

Dear Township Official:

The Minnesota Department of Transportation requires the County Engineer to certify the township road mileages in the county. **This certification of township roads is only for "roads that have been maintained and open to the traveling public for at least eight months of the year"**. The annual allotment of town road gas tax is based on the miles submitted on this report, which is due from us on November 15<sup>th</sup>. MNDOT requests that any additional or revoked mileage is accounted for and closed roads are reflected in this certification.

Enclosed you will find the roads and miles certified for 2015. Please review the list and forward any changes via fax, e-mail or mail to our accountant at your earliest possible convenience but no later than Friday, November 4th, 2016. Please notify us if the road miles are correct as listed, and there are no changes.

Kelly Lammon, Accountant  
Transportation Department  
Fax: 218-327-0688  
[kelly.lammon@co.itasca.mn.us](mailto:kelly.lammon@co.itasca.mn.us)  
Phone: 218-327-0681

Sincerely,

A handwritten signature in blue ink that reads "Karin Grandia". The signature is written in a cursive, flowing style.

Karin Grandia, P.E.  
Itasca County Engineer

# Township Road Certification

Tuesday, October 11, 2016

Miles certified to the State of Minnesota include only roads that have been maintained and open to the traveling public at least eight months of the year.

Your Town/Township is currently under contract with Itasca County for the services shown below. This contract expires **April 30th, 2016**. Your Town/Township must authorize continuance of this contract for the period **May 1, 2016 to April 30th, 2017**. If there are changes, please note them in the comments section and we will adjust new contract. Rates for 2016 Grading are: \$700/Mile for one trip per month; and \$1400/Mile for two trips per month. Rate for 2016-2017 Snowplowing is: \$700/Mile. **Estimated rate** for 2016 Dust Control: \$2100/Mile (18 foot width, single application). **Final rate** for 2016 Dust Control will be determined by contract between Itasca County/Supplier and will include grading to prepare road for application.
