PAVED ROADS

GENERAL INFORMATION (1=BAD;3+=GOOD) **COMMENTS**

	SURFACE CONDITION	COMMENTS
Alicia Place	2	Very bumpy/rough. This road is beyond crack filling. Could tight blade and overlay.
Alicia Spur	3	Looks good, some traverse cracking. The stop sign is bent and needs to be straightened out.
Apache Drive	3	Looks good.
Aspen Drive	2/3	Traverse cracking; alligatoring in beginning and along road. ROW looks good and did not change much from last year. Possibility of patching spots at the end of the road as this area is worse than last year. Rest of road =3
Birch Hills Drive	3	Some longitudinal and traverse cracking, but road looks good. Street sign needs to be straightened out. Branches in the ditch
Birch Street	3+	Looks good.
Casper Landing	3	Some traverse cracking. Fence line discussion.
Cemetery	2	Many potholes.
Chippewa Drive	3	Looks good.
Crystal Park	3	Looks good.
East Harris Road	3	Some longitudinal cracking. Branches at entrance to the road need to be trimmed. Crack sealing was done on the road last year.
Field Crest Road	1/2	Traverse cracking and rutting are pretty bad. This road is the worst road in the township! It needs to be torn up and rebuilt/sub cut.
Gary Drive	1	A lot of traverser cracking, alligatoring, and thinning gravel. A few potholes.
Harbor Heights	3	Some new traverse cracking. Needs repair
Isle View Road	3	Looks good; some new cracking.
Jess Harry Corner	n/a	n/a
Keyview Road	3	Same shape as last year. Branches by the stop sign need to be trimmed. The stop sign needs to be aligned to the road.
Kathryn Drive	3	No new cracks; fallen trees in ditch.
Lakeview Drive	3	Some new traverser cracking--needs some crack fill.
Laplant Road Landing	2	Quite a bit of traverse cracking.
Little Crystal Lane	1+	Traverse cracks in a few areas. Quite a bit of alligatoring, and potholes. Tight blade and overlay needed. If road is not taken care of it will be too far gone.
