

The Township will not be held responsible for vandalism and normal wear and tear caused by weather or any other act of God.

TREES OR SHRUBS:

In order to obtain uniformity and efficiency in maintenance, the following rules will be in effect: There shall be no planting of shrubs and trees on graves or lots, effective August 13, 2003. Any existing trees or shrubs that are already on lots, should they die, shall not be replaced. Maintenance of trees and shrubs currently planted at the cemetery will be done only if they become a menace to other sites, pedestrians, or create an unpleasant atmosphere. An existing tree or shrub may have to be removed to allow for excavation of an adjoining grave, and the Township will not guarantee that it will be replanted or of its survival if it is replanted.

FLOWERS AND OTHER DECORATIONS:

Flowers and decorations are allowed from **April 1st until October 1st**. All must be removed by this date or will be removed and disposed of by the Township. If flowers or decorations become unmanageable or unpleasantly deteriorated, they can be removed at any time by the Township. Two flower boxes or containers are allowed per grave site. Real or artificial flowers must be in removable containers or on shepherd hooks or flower stands, but can not contain more than two flower arrangements on one stand. The loss of any flowers or decorations will not be the responsibility of the Township. The Township Cemetery workers will make every effort to protect and move decorations during maintenance procedures. Flower beds are permitted next to the headstones on the grave site. This bed must be maintained within the grave site and be kept clean and free of weeds.

SPECIAL ORNAMENTATION:

Special ornamentation is allowed during funerals, but must be removed within one week. Also, during the Christmas holidays, special ornamentation is allowed from December 1 to January 30. If these are not removed by the date specified, Township Cemetery workers may remove these ornaments and the Township is not liable to return these to the owners.

The Board has the right to correct any error that may be made by it, either in making interments or dis-interments, by substituting interment rights of equal value and similar locations as far as possible refund purchase price by the sole discretion and selection of the board.

HARRIS TOWNSHIP CEMETERY POLICY

Harris Township maintains a cemetery for its residents and others. The location is attractive to many people and therefore new additions to the cemetery have been created and additional land has been purchased. The Town Board has control of this cemetery without many restrictions or mandates, but the few requirements needing to be met is outlined below.

The importance of uniformity and efficiency in maintaining a cemetery requires certain rules and regulations to be documented. All parties must adhere to these guidelines to ensure property notification, placement, and documentation of any interment.

HOURS:

The cemetery is accessible to anyone every day from Dawn to Dusk.

PURCHASING, SALE OR TRANSFER:

All burial sites will be purchased through the Town Clerk or designated appointee. Persons desiring to purchase lots are invited to visit the cemetery, where the Clerk will aid in making a selection. After the selection is made, and purchase price is paid, a deed will be issued and copies of the deed will be recorded at Itasca County Courthouse. The record of signing the deed will be noted in the board meeting minutes at the next Regular Monthly Board meeting.

A maximum of four (4) graves can be purchased by one person per deed. Purchased burial sites can not be transferred, assigned, or pledged to another interest without the consent of the Town Board.

The private sale of burial plots is prohibited. All sales must be transacted through the Town Board. The Township may re-purchase a site or sites with the fee remaining the same as the original purchase price, minus the recording fee which is the responsibility of the party returning the site(s).

FEES PER GRAVE:

\$125.00/site for residents and non-residents (4/22/15).
A \$46 recording fee per deed will also be charged.

GRAVE/BURIAL REGULATIONS:

It is the responsibility of the Funeral Home/Director to notify the Town Clerk of any activity planned or taken to any grave site at anytime.

1. Vaults are required, except for Cremations.
2. Bodies per grave: Either 1 adult/casket or 2 infant caskets, one level, not stacked; Cremations: 4 urns with/without a vault, or up to 4 urns without vaults may be placed over an existing buried vault.
3. *Only cremation burials are allowed in sites of Section 1 (original cemetery) if purchased after October 1, 2013*
4. The Township Clerk must be notified before any interment is held.
5. Personal excavating of the grave is strictly prohibited.
6. No grave or burial will be allowed above ground.
7. No burial of pets will be allowed.
8. Cremations remains are not allowed to be placed or spread above ground, unless they are in a sealed container attached to the headstone.

GRAVE OPENING AND CLOSING:

Fees for excavating a burial site will be set by the Harris Town Board and collected through the

Funeral Director. For burial of urns, when not going through a Funeral Director, the Town Clerk must be contacted prior to the date of this burial and fee paid. If a cremation excavation is performed, but the burial is not carried out, a cancellation fee of \$25 will be due.

DISINTERMENTS:

All requests for disinterment (including cremated remains) will be directed to a funeral home to facilitate the process.

WINTER RESTRICTIONS:

Due to the harsh winters and frost thickness, grave openings could delay funeral activities. The Funeral Director will need to communicate with the Township regarding this time frame so adjustments can be made for the services. Four (4) full working days are needed to prepare a site, not including the day of notice or the day of the burial. Thus, adequate notice is required by the township.

HEADSTONES, FOOT STONES, AND OTHER MARKERS:

Head and foot stones will be placed in such a manner to align themselves with existing markers and/or walk ways and lot lines designed into the cemetery. Headstones will be placed at the head of the grave and footstones will be placed at the foot of the grave. Maintenance works will not be installing any headstones. All headstones will need to be installed by those who were purchased it through.

Only one upright marker per grave is allowed. In case of multiple burials in one site, additional markers must be flat, and level with the ground.

The Township maintenance workers will install foot markers as they are received from the County Veterans Office.
