MEMORANDUM

To: Cari Ann Alleman
Date: 4/26/17
From: John Powers
Subject: Final Harris Plan

Accompanying this memo is a PDF of the proposed final version of the updated Harris Township Comprehensive Plan for consideration by the Town Board at its May 24 meeting. Changes from the draft version are:

- All proposed changes (deletions and additions) as noted in the draft version have been instituted.
- Pages 4 and 13: language regarding the issue of phosphorus has been added.
- Page 11: language regarding the Highway 169 corridor has been revised to reflect the discussion at Monday's meeting.
- Page 12: a revised Highway 169 corridor map has been inserted; the map focuses on the northern portion since this is where proposed rezonings could be considered and to better show the parcels in the corridor.
- Page 16: moved the single wastewater action to "Governmental Services & Other".
- Page 16: under Governmental Services & Other added a new action #3 regarding Town Board meeting with various organizations within the township and renumbered subsequent items.
